RE: State v. Jackson

Case No. 14-CA-010555

→ Appeal Preparation(s) - The Documented
Refusal of Brady materials of LEAD LOGS/
CAD REPORTS AS REQUESTED JULY 3RD, 2013,
AND THE ADDITIONAL REQUESTED CONTENTS.

Dear Mr. Mancino

I truly hope all is well. After receiving your notification of represent-
ation - ^{with} which additional notification to the past documented attorneys dated
May 1st, 2014 - I wrote you on several occasions regarding the above
case number, however I have yet to receive a response. I have
also emailed and mailed you the entire documented record via again-email
with attachments, and physical mail of the actual audio & video recorded from
the arresting patrol cruiser of the alleged traffic stop in its entirety placed
on a DVD (and were the people's sole vehicle to convict) - and the entire
documented record minus the trial transcripts that were scanned and
placed in PDF files, then downloaded on a CD for your updating purposes.

Continued Correspondence to Mr. Mascino dated 7/22/14

* You have requested the same or similar information from past documented attorneys (my trial attorney did not prepare any motion - Paul Griffin was appointed and immediately fired for your services - and Jack Bradley did not prepare any motions prior) relevant, however thus far you have failed to communicate with me - the most important individual whom all the documented paperwork derived from!

Although the documented record highlights perjury, prompting etc. sum totalling constitutional violation after constitutional violation, the facts are and remains as follows - 1) the uncontested audio & video of the actual stop was recorded from the arresting trooper patrol cruiser and was the prosecutor's sole vehicle of conviction - 2) The documented facts and DNA of the alleged probable cause of the initial stop and/or illegal detention and subsequent arrest was founded on grave constitutional violations, although the mentioned perjury/prompting - also falsified documents being that of the arrest reports but not limited too because as documented there were no sight, smell or consent relevant probable cause, also as documented the vehicle was locked by the defendant, nor were there ever any request to legally gain entry to that locked vehicle, nor was any warrants ever issued relevant - 3) the perjury continued throughout the documented (granted) suppression hearing testimonies of both troopers throughout, to the troopers actual trial testimonies supported solely by the troopers documented testimonies individually, compared to the arrest report(s), the audio & video sum totaled grave inconsistencies, Nothing is remotely consistent!

Continued Correspondence to Mr. Mancino dated 7/22/14

That is why as mentioned in my prior correspondence to you, the contents of your carbon copy titled to Paul Griffin is paramount as previously stated because it highlights a detailed timeline of events solely supported by the documented record.

* July 18th, 2014 - I received the attached correspondence from Paul Griffin at my detaining facility. Because of failed correspondence - the enclosed contents are alarming. Please clarify - Again please clarify immediately!

* Also, can you please forward me a complete copy of my trial transcripts to my detaining facility immediately - as well can you also please forward a copy of the same to my email: jackson-clif@ipho.com

* In addition, thank you for your attentions to the supported case law newly discovered evidence of the professional dog report on the specific K-9 Aego and trooper trader combination concerning the K-9 documented lack of abilities and "Highly Prompt Dependant" nature(s) that are extremely consistent with the higher courts credibility concerns of this exact K-9/trooper combination as mentioned in the documented suppression hearing and questioned throughout but not limited to the State of Ohio and the State of Ohio Highway Patrol immediate and known documented knowledge of the same of the K-9's inabilities - the troopers perjury relevant but more importantly as documented "Constitutionally Invasive" with failed corrections Mr. Mancino until, Anticipating your prompt response,

Respectfully,
