

The Cube

All that is True is in the Cube. Look into the Cube. See it's Absoluteness. It's form is based upon what is Principle in Knowledge, Wisdom and Understanding.

From the Center progressing outward.

The concept of the Third Dimension having volume, developed from the point which first evolved into a sphere of activity. Then began moving right to a distance ten times itself to go right again and repeated the Path until it came upon what was familiar.

4+6+10 Supreme Mother
