

Felon: The New Slur Word Through Kindle

Amazon is running a promotion for the eBook version of **Felon: The New Slur Word** through Kindle.

Tell everyone to download the eBook and leave a review. The eBook version will be free from 3/20 to 3/24 so I need as many people as possible to download the eBook to boost my chart rating.

All you have to do is go to Amazon.com and type in the books title or my full name under Kindle Books then click buy for free on the eBook version to download it then make a review. It can be downloaded to cellphones, tablets, and computers.

Thank you for the help and support.
