

2018 GMA Valentine's Bombshell

Valentine's Day of 2018 GMA (Good Morning America) reported another bombshell story of President Donald Trump.

Although spoken and unspoken codes of loyalty were broken in Trump's camp, for know and unknown reasons Trump's former attorney Michael Cohen (the pitbull) admitted to paying off one hundred plus thousand dollars allegedly of his own money to porn star Stormy Daniels and Donald Trump in 2016 when Trump was going through trying times with his wife Mrs. Trump.

What a story and continued show of leadership.

President Trump you rock or is your boat rocking?

In any event although scandal after scandal the favorable side of power, money, relations and double standards.

Food for thought. Wow
