

A Prayer for Patience

As a black man why won't society acknowledge me
is it because just over a 100 years ago we weren't
considered whole & education was a crime so true
approaching 2030 we're still chasing equality –

Yes in 1860 it appears Abraham Lincoln was a blessing
but he was defenseless over inferiority complexes & oppression
today slavery remains a multi-billion dollar trade still
striping adults and adolescents of parenting & caressing –

See to sympathize & empathize although its appreciated
doesn't change overnight what we've endured for hundreds of years
so we just ask for prayers & patience from our peers
as we are still learning how to deal with all the aftereffects of
so many violations that are extremely loud & clear –
