

Guilty by Association

Without love there will never be peace
the magnitude of happiness
could never be completely understood
if you've never experienced grief
so how is selling your soul cool
or being sour the new bittersweet –

the powers of deception look no further than Donald and Hillary
both share ill perceptions of the streets about taxes, emails, amongst other secrets
sober riding highs of a thousand distilleries –

Love & Hip Hop on tour so let's explore our powers over choices
cause money and power alters reflections
with added incentives to hide the depths and reaches of hidden voices –

know manipulation can sway a population
regardless our classes of life we all have reservations
Oyez22 although it's levels to this mess
in life we are all chasing vacations
so without question we are all guilty by associations –
