

How

How can we digest the bait of hate
how can disrespect supersede your higher power
with the endless opportunities before us
how can we not see beyond an hourly rate –

how can we focus with blinders on
how can we love sex but judge porn
how can we separate to conquer
but hate being torn –

how can we perpetuate insanity
be it womanly or manly
how can love and loyalty to the streets
supersede priorities owed to immediate family –

when you think about acts of betrayal
how did we miss the signs
when you think of Love & Hip Hop
how can you hate on Jessica and all the dimes –

how can we take advantage of social media
simply believe in self and your dreams
take the initial steps

force history to talk like encyclopedias –

how can be considered why and vice versa
simply put we must trust and believe
our printed versions of success
are just as effective as if we wrote it in cursive –
