

I Awake

As I awake within me
I feel the rays of a sun that rise
as I stretch I whisper Oyez22
the breath of life and power of me
seeks to open your eyes –

so I pray today my actions reflect
in all that I share
knowing one will be amazed in the power of a smile
and a sincere greeting simply showing you care –

this is important because of the unknown
page in your life or the chapter
the twists and bumps of life
highlights so many defining factors –

however what I do know no one enjoys being humiliated
just know you and your conversations are relevant
if only you initiate it
Oyez22 you are appreciated –
