

## Lady Gaga

Lady Gaga it is such a joy to follow your career  
you've introduced your person and talent to the world  
overcoming adversities you've graduated to conversing  
with Prince Harry sharing the powers of conquering fears –

although some may feel you have finally arrived  
today your voice and person influences a nation  
so regardless your past struggles you never stop fighting  
for that thank you for rewarding us for patiently waiting –

we so love the talented everyday girl  
it's an honor to say you are no longer confined  
you've embraced the power of play  
showcasing life's rewards of refusing to be stuck on pause or emotional rewinds –

for that we so appreciate your artistic and life designs  
Lady Gaga you are nothing short of an angel  
sincerely thank you baby girl for allowing us  
being your global audience to travel your rainbow –
