

## Sculpture

The tongue can be wicked hot  
or sweet as a wedding cake  
if your plug ain't dropping fifty or better  
your weight class is still that of a featherweight –

and if you ain't moving at least five a day  
change your wig-wagging formulas  
to increase the hood economy rate –

rolling the dice yo respect better be priceless  
no one is exempted depending the crisis  
I'm talking eye conversations  
that will claim you like Isis –

it's my confidence and not my hustle  
that keeps me soft-spoken  
and I love bad b\*t\*hes that plays the game  
understandably never wanting to be heartbroken –

ride or die we are all flawed within  
to many muva f\*\*kas are codefendants talking bout  
they don't do jail but when you touch  
they try to hop back in –

see visits are appreciated but the bails and the mail  
will never outweigh any acts of betrayal  
it's a fact the spread of hate  
will never taste better than the spread of mayo –

now it's clear I'm in love with a game  
that hates all of you and all of me  
every dream chaser I hear  
it's like the games either watching or in love with me –

so every jewel dropped is worth at least a hundred grand  
it's the pain not the material that sculptures my brand  
ask Nicki about that Minaj ingredient that sculptures her man –

The Minaj by Nicki brand coming soon. Yes sis I put you directly on the spot.

Nicki I truly believe the Minaj by Nicki brand has no ceiling. Be it fashion, perfumes, etc.

Nicki I am in tune with the bigger picture in relations with you and your brand. Your heartfelt endorsement commitments with OYEZZZ is all that's required for me to release all naming rights to the Minaj by Nicki brand. I love to see you shine.
