

## The Expressway

The fast life is much faster than the 100 yard dash and that Jamaican Bolt  
the realities of its curb appeal if you duck death  
the gauntlet's of regrets and the penitentiary will haunt you –

picture being a 1<sup>st</sup> round draft pick but nobody want you  
now your losing your houses on the hills  
sober or strung out on life  
transgressions of surviving in every version besides pills –

now them babies are hungry and it's crunch time  
it's nothing wrong with recalibrating opening your eyes  
the way the Fresh Prince loves Jada  
underground and the LOX heavyweight punchlines -
