

The JPay Railroad

The internal battles of incarceration are like a pay per view fight
staying connected to the streets mirrors an all-inclusive vacation
with that someone special sharing the stars and the moonlight –

the JPay kiosks are like ATMs and the federal reserves
a vibrant link to society worth gold
gift wrapped with the thought of our words –

the rates are cheaper than U.S postage
JPay provides luxury options without the delays
unlike our normal mailing and shipping hocus pocus –

video grams are like watching HBO and Showtime
emailing allows you to buy fish dinners
or go out to sea like Oyez22 to eat for a lifetime –

the cards are quality, and the thoughts are grapes
you can purchase eBooks, music, games, and more
JPay now provides its services in 35 States –

its undeniable JPay represents freedom and pain
so please download the app now to support
a friend or a love one in a passage of change –
