

To the Better Part of Me

To the better part of me you are always on my mind and with me in heart and spirit regardless the situation, time, or day.

I hope you are safe and in a great space ready for all that's to come as I multitask aiming to achieve one goal at a time.

I love and give my loyalty to you as I breath and fight every day to be near you to tackle all we desire for family, memories, and love.
